AWAKEN TO A WORLD OF OPPORTUNITY

Luther College at the University of Regina encourages you to dream big. Our academic advisors and enrollment counsellors will help you find your passion. Our instructors will help you to explore, learn, and transform that passion into a meaningful career.

“

There is nothing more important than education: there is no better way to improve economic inequality, support sustainability, and create civically and globally minded leaders who care for the world around them. Luther College's vocation is to do just that - join us as we help bring hope and renewal to the world!”

THE REV. DR. MARC JERRY
PRESIDENT

Luther College students are University of Regina (U of R) students and receive the same benefits. Upon graduation, you will receive a U of R degree.

Luther College is a liberal arts and sciences college federated with the University of Regina and rooted in a progressive understanding of Christianity. Luther College is recognized for **high standards of teaching, focused research, and one-on-one academic advising.** We value and protect this heritage of excellence in scholarship, freedom of inquiry, and faithful seeking after truth.

Here you have all the benefits of a larger campus, without feeling lost in the crowd. We appeal to students who want to study in a nurturing and inclusive environment.

The Roots of Luther College

1

Environmental Sustainability

Luther College is the International Association of Universities lead on the UN Sustainable Development Goal #12 - "Responsible Consumption and Production", helping build foundations for a thriving, more peaceful, sustainable planet. Passionate about the environment? Check out our Certificate in Sustainability.

2

Social Justice

Luther College is committed to the Truth and Reconciliation process. We provide financial support, counselling services, and community initiatives through the Canadian Roots Exchange and Project of Heart programs. Passionate about social justice? Check out our Non-Profit Sector Leadership and Innovation Certificate.

3

Global Citizenship

Luther College welcomes students of all cultures, creeds, and orientations. Our multi-faith peer chaplaincy is home to intercultural exchanges, soulful inquiry, and stretching boundaries. Passionate about global citizenship? All degrees include a study abroad option.

FACULTY OF SCIENCE

PURSUE THE EXTRAORDINARY

Inquiring minds find a welcoming home at Luther College. Whatever branch of Science interests you, from Environmental Biology to Medical Imaging to Computer Science, you will be in good hands, preparing for some of the most exciting careers in this world of rapid change.

“Infectious diseases are the world’s greatest killers, accounting for more than 13 million deaths annually, and the continuing spread of antibiotic-resistant bacteria is an emergent threat to public health. My research aims to understand how pathogens infect their hosts in order to develop new strategies to combat diseases. Luther College enables strong mentor-student interactions allowing me to train and prepare a new generation of leaders who will rise to these challenges.”

DR. NICOLE HANSMEIER
LUTHER PROFESSOR OF BIOLOGY

Luther College offers special awards for students majoring in Science and Pre-Professional studies.

Luther College offers unique programs in the Faculty of Science.

Pre-Professional Bundles

Our popular **English-Science Bundle** prepares students for advanced study in the health-sciences. Students are well positioned to apply to many professional programs.

The **Pre-Nursing Bundle** is designed for students interested in entering a nursing program in Saskatchewan. Here, you will engage in important discussions around ethics and what it means to be a nursing professional.

Entrance counselling support and one-on-one academic advising are available for all programs in Science.

I chose to study Science through Luther because of its reputation for providing students with individual attention. I enjoy the community atmosphere, and the easily accessible academic advising. Luther supports pre-professional students particularly well by giving them access to knowledgeable academic advisors and staff members.”

Some of our recent Science graduates now work as Forensic Scientists, Laboratory Technicians, Exploration Geologists, and Clinical Researchers.

FACULTY OF ARTS

PURSUE EXCELLENCE

Critical thinking and creativity unite at Luther College. From Human Justice to Journalism to Health Studies, you will be exploring the diversity of the human experience, developing critical thought, and shining new light on age-old questions.

Studies show that employers are searching for employees with the unique skills obtained through a liberal arts & sciences education.

Justice & Journalism Bundle

Our commitment to social justice is reflected in this program designed for those with an interest in law, police studies, human justice, criminology, and journalism.

Other Unique Luther Opportunities in the Faculty of Arts

- Non-Profit Sector Leadership and Innovation Certificate
- Project of Heart & Canadian Roots Exchange
- Community Involvement and Service Scholarships
- Sustainability Certificate
- La Cité Universitaire Francophone

Entrance counselling support and one-on-one academic advising are available for all programs in Arts.

My professors and administrators at Luther are always eager to help connect learning in the classroom with real-world community and social justice issues. Luther has given me every opportunity and plenty of support to engage, to make meaningful connections, and to gain credit toward my degree through study abroad and overseas internships. I feel very lucky to be somewhere with such compassionate and supportive staff."

BRENDAN LUTHER ARTS STUDENT

Strive to be your best.

Some of our recent Arts graduates now work as Directors of Communications & Operations; Managers of External Communications & Media Relations; Managers of Major Giving; and Event & Project Coordinators.

I choose to spend my research and class time on issues that get us all thinking about working towards the common good. Students at Luther can engage on so many levels, in class and out of class. We work hard to provide the community, the friendship, the support, and the guidance for students to develop their whole personhood so they know that they, and what they do, are important to this world."

DR. BRENDA ANDERSON
LUTHER PROFESSOR OF WOMEN'S & GENDER STUDIES
AND RELIGIOUS STUDIES

FACULTY OF MEDIA, ART & PERFORMANCE

PURSUE YOUR PASSION

Students with a passion for the media, art, music, and theatre will discover like-minded souls at Luther College. Here, you can pursue programs in Fine Arts, Music, Creative Technologies, and Music Education.

“I chose to study music at Luther College because it is a small college that offers a close knit community. The faculty and staff provide great support to their music students by offering many music specific scholarships. Luther provides a great resource in music history with the classes taught by amazing professors.”

EMILY
LUTHER MAP STUDENT

MAP students may participate in professional placement opportunities to gain experiential learning in their field of study.

Luther College offers unique programs in the Faculty of Media, Art & Performance (MAP).

Interdisciplinary Studies

Skills and specializations are elevated as you learn to integrate knowledge from two or three different disciplines. Students envision, pursue, and enact creative solutions according to personal interests and curiosity.

Unique Mentorship Opportunities

Faculty members engage students as research assistants to gain experience and build their resumes, often mentoring students beyond class time.

Entrance counselling support and one-on-one academic advising are available for all programs in MAP.

“Luther College is a special place to make things happen when it comes to research, including opportunities to involve students. Learning while doing research, being involved in producing new knowledge, is the essence of the University—and I am always eager to find new ways to meet new students and involve them in my research.”

DR. FRANCESCO FREDDOLINI
LUTHER PROFESSOR OF ART HISTORY

Your time to shine.

Some of our recent Media, Art & Performance graduates now work as Creative Directors, Theatre Stage Managers, Artistic Producers, and Media Production Managers.

STUDENT SUPPORTS

Luther College has distinctive supports to ease transition from high school to university.

Academic Advising

Caring and knowledgeable academic advisors provide one-on-one support, information, and advice. You can meet with an academic advisor every semester to assist you in meeting your academic goals.

Luther College Bundles

Optional first-year programs that bundle classes from Luther College and the U of R to give you a great start and help smooth the transition from high school to university. We help register you in your classes and make suggestions, even if you don't know quite yet what degree you will pursue. Studying with others who have similar interests will help you form study groups, feel supported, and make friends.

- English-Science Bundle
- Justice & Journalism Bundle
- Pre-Nursing Bundle
- Pre-Professional LLC

Smaller class sizes means more individualized attention and better connections with your professors and classmates.

Entrance Counselling

Whether you know what you want to study, or you are still contemplating, our advisors are here to help. Book a personalized entrance counselling appointment to learn how to apply, explore your options, and discover award opportunities.

\$100,000 Luther College Awards

We are committed to student success and offer over \$100,000 in awards to entering and continuing Luther College students each year. This is in addition to the scholarships and bursaries awarded by the University of Regina, and available to all Luther College students.

Writing Across the Disciplines (WAD)

Strong writing skills are important at university and throughout life. Our dedicated WAD Coordinator develops writing-specific assignments and delivers student workshops, lectures, and one-on-one instruction throughout the year.

Multi-Faith Peer Chaplaincy

Luther College nurtures intellectual, emotional, and spiritual growth for students of all faiths and backgrounds. Our chapel is often buzzing with meaningful conversation and soulful discussion with Pastor Sean, students, faculty, and staff.
