

Ma vie. My nursing degree.

LOCATION:

Regina and Saskatoon

WHEN TO APPLY:

There is one intake per year, with classes beginning in the fall term. The program is open for applications from October 1 to February 15 each academic year. Admission to the SCBScN program bilingual option is based on a competitive entry process. Visit sasknursingdegree.ca for more information on the program, the application process, and deadlines. All admission decisions will be made after the deadline.

HOW TO APPLY:

You can apply online or with a paper form; visit sasknursingdegree.ca

			TOTAL CREDIT HOURS: 120

The Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN) program bilingual option is offered jointly by Saskatchewan Polytechnic and the University of Regina in partnership with La Cité universitaire francophone. As an SCBScN student, you will have the opportunity to access services and experience student life offered by all three institutions.

As a student, you will have the advantage of being prepared in the active offer of services and interacting with patients, families and community members in both of Canada's two official languages: French and English.

When you graduate, you will receive a Bachelor of Science in Nursing (BScN) degree with a bilingual designation. You'll be ready to make a real difference in the lives of your clients and communities and work as valuable member of the health care team.

BILINGUAL OPTION INFORMATION

The SCBScN program offers the Bilingual Option to students who meet the French and English language proficiency requirements.

Students complete 50% of the program in French and 50% of the program in English.

Seven (7) seats are available for this program option.

LANGUAGE PROFICIENCY REQUIREMENTS

All applicants must demonstrate an appropriate level of French and English language proficiency.

Applicants must meet the French language proficiency requirements as identified by La Cité universitaire francophone and place at level FR 201 in the French and Francophone Intercultural Studies program's placement test: <https://lacite.uregina.ca/en/uni/placement>.

Applicants must also meet the English language proficiency requirements for the SCBScN Program as identified by the University of Regina <https://urconnected.uregina.ca/apply/elp.ezc>.

HIGH SCHOOL ADMISSION REQUIREMENTS

Applicants who have completed or are in the process of completing Grade 12*, must present the following courses for admission to the program:

- English Language Arts A30, Français Fransaskois A30 or Français Immersion 30
- English Language Arts B30, Français Fransaskois B30 or Français Immersion 30
- Foundations of Math 30, Pre-Calculus 30, Fondements de mathématiques or Pré-calcul 30
- Biology 30 or Biologie 30
- Chemistry 30 or Chimie 30

A minimum grade of 70% is required in each of the above required courses. Applicants with the **highest admission average** will be selected for the program.

Students applying from other Canadian provinces need to present equivalent courses.

GED will not be accepted in lieu of Grade 12.

*Only students who are **currently** enrolled in high school will be considered for Early Conditional Admission. High school graduates will be assessed using the five (5) courses listed above.

POST SECONDARY ADMISSION REQUIREMENTS

Applicants who have attempted 15 or more credits hours of approved post-secondary education (by the application deadline) must meet the following criteria:

Successful completion of the required high school courses or a post-secondary equivalent. GED will not be accepted in lieu of Grade 12.

A minimum 65% Application Grade Point Average (AGPA) on the last 30 credit hours of approved post-secondary studies presented.

Applicants with the **highest grade point average** will be selected for the program.

TRANSFER CREDIT

If you are transferring from another post-secondary institution, you must meet the admission requirements. After you have been admitted to the SCBScN program bilingual option in the post-secondary admission category, courses for which you have received previous credit will be evaluated to determine if they are eligible for transfer credit.

A minimum grade of 60% (or University of Regina equivalent) is required in each course for which transfer credit is sought.
