

My life. My nursing degree.

LOCATIONS:

Regina and Saskatoon

WHEN TO APPLY:

There is one intake per year, with classes beginning in September. The program is open for applications from October 1 to February 15 each academic year. Admission to the SCBScN program is based on a competitive entry process. Visit sasknursingdegree.ca for more information on the program, the application process, and deadlines. All admission decisions will be made after the deadline.

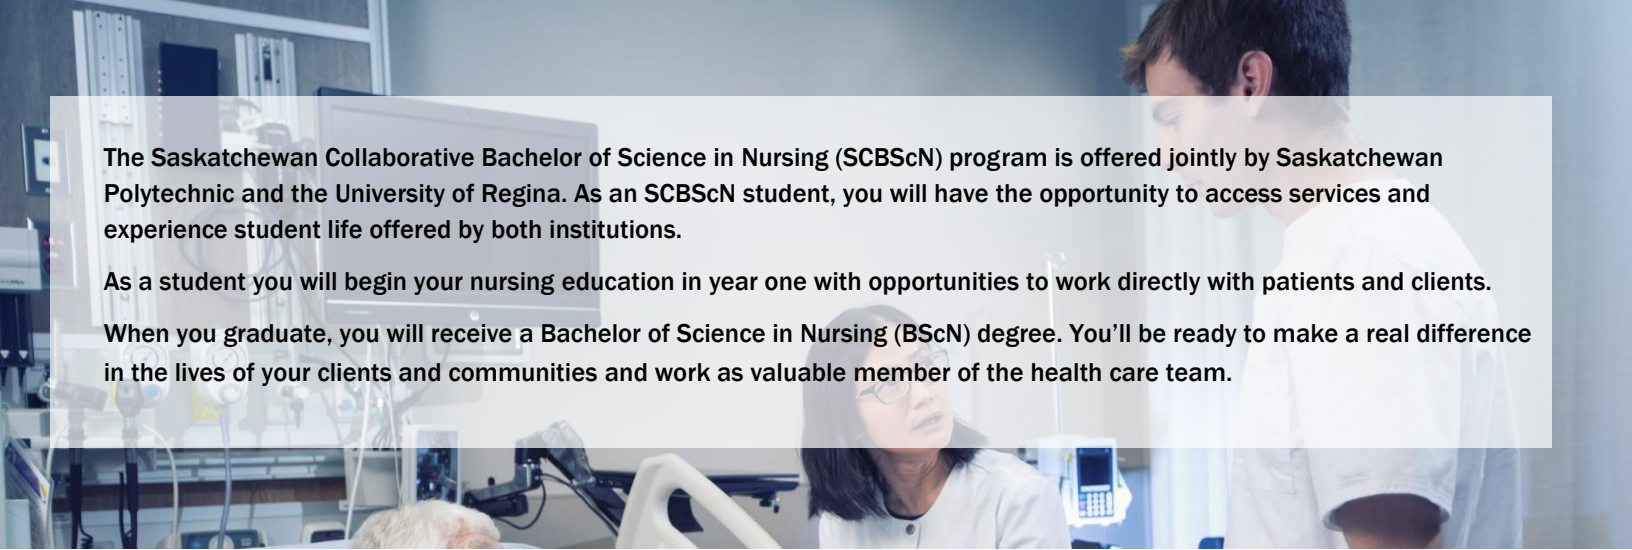

HOW TO APPLY:

You can apply online through www.sasknursingdegree.ca

The Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN) program is offered jointly by Saskatchewan Polytechnic and the University of Regina. As an SCBScN student, you will have the opportunity to access services and experience student life offered by both institutions.

As a student you will begin your nursing education in year one with opportunities to work directly with patients and clients. When you graduate, you will receive a Bachelor of Science in Nursing (BScN) degree. You'll be ready to make a real difference in the lives of your clients and communities and work as a valuable member of the health care team.

HIGH SCHOOL ADMISSION REQUIREMENTS

Applicants who have completed or are in the process of completing Grade 12*, must present the following courses for admission to the program:

English Language Arts A30**
English Language Arts B30**
One of Foundations of Math 30, Pre-Calculus 30, or Calculus 30
Biology 30
Chemistry 30

A minimum grade of 70% is required in each of the above required courses. Applicants with the highest admission average will be selected for the program.

Students applying from other Canadian provinces need to present equivalent courses.

GED will not be accepted in lieu of Grade 12.

*Only students who are currently enrolled in high school will be considered for Early Conditional Admission. High school graduates will be assessed using the five (5) courses listed above.

**Applicants may substitute one of Francais Fransaskois A30/B30 or Francais Immersion 30 for English Language Arts A30 or B30. Applicants from Fransaskois and French Immersion programs may also substitute the equivalent subjects taught in French for those courses listed above.

POST SECONDARY ADMISSION REQUIREMENTS

Applicants who have attempted 15 or more credits hours of approved post-secondary education (by the application deadline) must meet the following criteria:

Successful completion of the required high school courses or a post-secondary equivalent. GED will not be accepted in lieu of Grade 12.

A minimum 65% Admission Grade Point Average (AGPA) on the last 30 credit hours of approved post-secondary courses presented.

Applicants with the highest Admission Grade Point Average (AGPA) will be selected for the program.

UPPER YEAR ADMISSION REQUIREMENTS

Applicants who have completed a practical nursing or psychiatric nursing program; are currently enrolled in a nursing program at another post-secondary institution or have completed 9 credit hours of nursing courses from another recognized post-secondary institution are eligible to apply as an Upper Year applicant. Applications are accepted from October 1 to January 31 each academic year.

For more information on applying as an Upper Year applicant, visit sasknursingdegree.ca for details and deadlines.

AFTER DEGREE NURSING PROGRAM (ADNP)

Applicants who have completed a university degree from an accredited institution in another field can apply for the SCBScN After Degree Nursing Program to maximize their previous post-secondary education.

Twenty-eight (28) seats are available in this option and is available in Regina only.

For more information on admission requirements, program details, and deadlines, visit sasknursingdegree.ca

MY COMMUNITY, MY NURSING DEGREE

Applicants from the North Battleford region complete Years 1-3 in Saskatoon, returning to North Battleford in Year 4.

For more information please go to sasknursingdegree.ca

BILINGUAL NURSING OPTION

The SCBScN program offers the Bilingual Nursing Option to students who meet the French language proficiency requirements.

Students complete 50% of the program in French and 50% of the program in English.

Seven (7) seats are available for this program option.
